THE MANIFESTO

Knowledge is power.

From the Amazon to Angkor Wat — the serpent has always symbolized wisdom, power, and rebirth. We carry that into every stitch.

Not trend-chasing. Not bowing down.
Ancient roots. Modern strike.

Built for the hustle-minded, the knowledge-loving, and the unapologetically themselves.

The cobra has always been the apex — in the Amazon, in Egypt, in Angkor Wat, in ancient India. Every culture that understood power wore its image.
